

Capital Funding

School Divisions

Capital grants provide for the capital expenditures of school divisions. Additional information on the grants may be found in The Public Schools Finance Board Annual Report.

Universities

Funding from Capital Grants contributes to universities' capital expenses. The department is responsible for distributing major capital grants at the universities. The allocation by universities is determined by the government budget approval process.

Colleges

Funding from Capital Grants contributes to community colleges' capital expenses. Manitoba Infrastructure has responsibility for funding Major Capital Projects at Assiniboine Community College and at the University College of the North. College projects are considered concurrently with the requests from other government departments. In 2015/16, transfer of ownership of capital assets was provided to Red River College. On a go-forward basis major capital grants will be funded similar to universities.
